Bladensburg National Park - Scrammy Gorge

DISTANCE: 100km

DURATION: 1 day

HIGHLIGHTS: Red Creek, Bladensburg Homestead, Scrammy Gorge, Scrammy Lookout.

ROAD SUITABILITY: 4x4 only. Unsealed apart from first 13km.

TRACK NOTES: This unbelievable raw country is not to be missed. Historically, the homestead is one of the best depictions of life as it was in the pioneer days.

Travel to the end of the Park through Mitchell Grass downs and claypans until the jump-up country where gidyea trees are twisted and gnarled due to the harshness of this land. Explore the gorge and see Winton township in the distance from the lookout.
