## Cloncurry - Boulia

**DISTANCE:** 339km

**DURATION:** 1 day

**HIGHLIGHTS:** Duchess, Wills River, Burke and Wills blazed tree marking 'Camp 33'.

**ROAD SUITABILITY:** Suitable for high clearance vehicles and caravans.

**TRACK NOTES:** This scenic drive is a pleasant alternative route between Cloncurry and Boulia. Pass through Malbon (the junction for the Kuridala-Selwyn railway) and the old town sites of Kuridala and Selwyn.

Stop in at Duchess where only the hotel remains in this once-busy railway and mining town. Follow in the footsteps of Burke and Wills to the marked tree. This once was a Cobb & Co route for travellers of yesteryear.
