

Lawn Hill Circuit

DISTANCE: 572km

DURATION: 5 days (including stop at Lawn Hill)

HIGHLIGHTS: Boodjamulla National Park, Lawn Hill Gorge, Adels Grove, Riversleigh Fossil Fields, Louie Creek, Lilydale Springs.

ROAD SUITABILITY: Mostly gravel road. Some of the river crossings require care. Passes through private property.

TRACK NOTES: This circuit travels through a variety of differing landscapes through the heart of the Gulf Savannah. Discover hidden oases where pandanus palms and giant paperbarks border crystal clear waters. Rare fossils of long-extinct species are scattered throughout the awe inspiring geology. Remnants of aboriginal tradition express the ancient connection these people have with the land. Sites of pioneering heritage can also be visited. Canoeing along Lawn Hill Gorge in Boodjamulla National Park is a definite highlight of this trip.
