Windorah Nature Drive

DISTANCE: 12km

DURATION: 30 minutes

HIGHLIGHTS: Cooper Creek, variety of identified vegetation.

ROAD SUITABILITY: Conventional vehicles with caution.

TRACK NOTES: This Nature Drive will take you from Windorah to Cooper Creek, travelling through a surprisingly rich diversity of landscapes and vegetation from Spinifex grasslands, Gidgee woodlands, Lignum swamps and channel country. The magnificent permanent waterhole at Cooper Creek is filled with bird life. This is an ideal spot to camp, fish and relax. Just west of town are the magnificent red sand dunes, standing in strong contrast to the channels of Cooper Creek.
